Welcome to Cabinetry and Design Solutions

At Cabinetry & Design Solutions, our approach to design focuses on tailoring every element to your needs. We create rooms that function, allowing you to comfortably work within a space designed to support your daily activities.

Located in Vero Beach, Florida, our national cabinetry offerings give us the tools to craft a great room, but the inspiration comes from a full understanding of how you will use the space. We consult with our clients as often as necessary to confidently design floor plans that function best for you. We next concentrate on the room's outward appearance designing a space that visually expresses your style. We pride ourselves on our ability to design within a full range of periods and tastes – be it contemporary, French Country, English cottage, Tuscan, or Arts & Crafts. At Cabinetry & Design Solutions, each room we create bears a different signature – your own.

Cabinetry & Design Solutions has carefully chosen five cabinet manufacturers to bring our designs to life without sacrificing your budget.

Corsi Group- Corsi is truly custom offering the full spectrum of construction, door style, and finish options. Since 1973, Corsi has skillfully combined innovation with tradition. Committed to producing the market's most functional and stylish furnishings.

Greenfield- Greenfield Cabinetry not only makes fashion sense, it's a smart investment in your lifestyle. And Greenfield offers the features you won't find in other semi-custom cabinetry. You'll love Greenfield for the all-wood construction, stylish finishes, and dramatic profiles. Greenfield will appeal to your common sense because our cabinetry is as affordable as it is versatile and durable. Designed and crafted, detail by detail, for lasting value. You can choose from the finest woods, accessories, paints, and stains to create the perfect fit for your home and budget.

KraftMaid – One of the largest and most recognized brands of cabinetry. Providing a custom look, with the widest selection of styles, finishes, storage solutions and decorative enhancements in built-to-order cabinetry.

Wellborn Forest – High style, high performance, semi-custom cabinetry at a moderate price. Wellborn Forest offers three complete product lines with 49 different door styles, three wood species, and a multitude of finish selections.

Expressions Cabinetry – Expressions offers numerous options and styles within a relatively short lead-time. A leader in quality frameless construction, full access design eliminates the face frame, allowing unobstructed access. Beautiful, durable, high value cabinetry for any room.

Nautilus Cabinetry – An innovator in outdoor cabinetry. Constructed of King StarBoard marine polymer with a lifetime warranty. Door options include 7 polymer styles in 10 colors, cypress, teak, and stainless steel.

Armstrong Cabinets offers a wide range of semi-custom, fine quality kitchen and bath cabinetry with an eye to operational performance; ordering and delivery; design features; price competitiveness; and warranty.. Armstrong Cabinets has over 30 styles to choose from and, with its variety of finish options, it offers over 150 color combinations.

Integrity Cabinets, LLC Semi-custom, plywood box construction, quick delivery time, multiple door styles and wood species, with an eye towards affordability.

ProFire Gas Grills – Restaurant quality grills constructed of 18 gauge 304 stainless steel. Stainless Steel accessories are available to complete your outdoor kitchen.

Summit Appliances – Stainless steel under counter refrigerators and wine coolers for outdoor use. NSF approved and UL listed.

Vent-a-Hood – Stainless steel exhaust hoods and liners for outdoor use.

At Cabinetry & Design Solutions, we combine our technical expertise with an unrivaled commitment to personalized service. We commit to a full understanding of your family's needs as well as an understanding of the look that defines your style.

Space planning is among our specialties and we believe that the earlier we are involved with the project the better. Working with the architect, draftsman, or contractor in the planning stages of a project will confirm that you get the ideal space for the way you live.

Our designs are specified in national cabinetry lines ensuring that the individual components of each design are rooted in quality. We provide the best in customer service and professional installation and demand nothing short of excellence for you and your home.

Our expertise stretches to any room of your home. Consider the possibilities for your master bath, library, home theater, home office, laundry room, secondary bathrooms, and media center.

Whether you are looking for space planning and design assistance, a full remodel, or anything in between Cabinetry & Design Solutions has the expertise and resources to help you realize your vision.

Cabinetry & Design Solutions principal designer, Amy Gross, has 14 years of design experience and 6 years specializing in cabinetry. Amy holds a Bachelor of Arts degree in Interior Design from Florida State University. With a unique combination of technical skill and artistic talent Amy creates beautiful, functional rooms that express styles and moods of every period.

Tina has recently partnered with Amy at Cabinetry & Design Solutions. She has 15 years of experience in the construction and architectural industry. She graduated with a degree in Architectural Drafting then returned to school to pursue her B.A. degree in Interior Design. She brings versatility in a wide variety of design aspects - from drafting, engineering, and executing the design - to being able to aesthetically create a home with her clients vision in mind.

Design is our talent as well as our passion. We treasure our clients and treat their home as though it is our own.

As members of the National Kitchen & Bath Association (NKBA), the American Society of Interior Designers (ASID), the American Institute of Architects (AIA) and of the Treasure Coast Builders Association (TCBA) Cabinetry & Design Solutions is committed to maintaining a leadership position in cabinetry design and innovative product offerings.

CABINETRY & DESIGN SOLUTIONS

426 21st Street
Vero Beach, Florida 32960
phone: 772.532.0992
fax: 772.569.4376
info@cabinetry-solutions.com

Prior to our meeting...

- Gather a scrapbook of notes, photos, and articles that you have collected.
- Get together with your family and ask them for their input and wish lists.
- Come up with a budget you can live with.
- Print and fill out the appropriate design questionnaire for your project.
- Call us to make an appointment. 772.532.0992 or 772.559.8022

The first time at our showroom we will . . .

- Introduce you to your options for cabinetry and get to know you better.
- Discuss your scrapbook of ideas (if you have one) and get an idea for the type of room you wish to create.
- Review and/or assist you in establishing a budget.

Upon paying our initial design fee we will...

- Come to your home and take measurements which we will use to create initial layout(s) based on our first visit
- Review our plans with you and discuss the design.
- Schedule next visit to the showroom for drawing approval and proposal presentation.

Upon approval of drawings & proposal we will...

- Make arrangements with your contractor to coordinate the installation and provide 3 sets of drawings for new construction.
- Recommend needed professionals, provide and review plans with those involved for a remodel.
- Meet the installer at your home to discuss the details of your plan and installation to ensure a quality installation
