Dear Amy,

As we are putting the final touches on the kitchen cabinetry, I wanted to take a moment to express my gratitude to you for all of your help and patience in designing our kitchen. From designing the kitchen cabinets to the final installation, you have been full of wonderful ideas, generous with your time, followed through on all commitments and always professional. In addition, your expertise in design has been very helpful in other areas of our new home of which we are very appreciative.

If you ever have any potential clients who would like to see your designs, we would welcome the opportunity to "show off" our beautiful kitchen!

Sincerely,

Mark & Shereen
